IF YOU'RE A GCIT STUDENT BRING YOUR AMBITION TO LIFE AT BOND

Gain direct entry and credit towards a Bachelor degree from Bond University.

Bond University is Australia's first private, not-for-profit university, offering a personalised academic environment that enables graduates to exceed the outer limits of their potential.

With access to unparalleled academic and technological resources on Bond's world-class Gold Coast campus, students thrive in smaller study groups where eminent professors and industry-experienced lecturers know them by name.

By undertaking three semesters per year instead of the usual two, graduates finish their studies sooner. Combine this advantage with Bond's commitment to opening doors to blue chip employers and it becomes clear that students graduate with a clear competitive advantage.

ENTRY REQUIREMENTS

All applicants must have completed the following GCIT programs with above average grades to be eligible for direct entry into Bond's programs:

- Diploma of Business Studies
- Diploma of Information Technology (Networking)
- Diploma of Information Technology (Software Development)
- Diploma of Building
- Diploma of Multimedia

SCHOLARSHIPS

Bond University offers a suite of scholarships for both international and Australian students. Assessment criteria for the scholarships is based on the degree entry requirements and on demonstrated academic achievements.

LIFE AT BOND

When you're not attending lectures and hitting the books, you'll discover there's even more to life at Bond University. Our stunning campus gives you access to world-class study and recreational facilities, including a multimedia learning centre, two libraries, 24 hour computer labs, studio facilities, a fully equipped gymnasium, sporting fields and an Olympic-size swimming pool.

We have a wide range of active social clubs and on-campus student associations, counselling and medical facilities, English language tuition and tutorial support, as well as round-the-clock security.
