

IF YOU'RE A GRADUATE FROM AIM BRING YOUR AMBITION TO LIFE AT BOND

Gain direct entry and credit towards Master degrees from Bond University.

Bond University is Australia's first private, not-for-profit university, offering a personalised academic environment that enables graduates to exceed the outer limits of their potential.

With access to unparalleled academic and technological resources on Bond's world-class Gold Coast campus, students thrive in smaller study groups where eminent professors and industry-experienced lecturers know them by name.

By undertaking three semesters per year instead of the usual two, graduates finish their studies sooner. Combine this advantage with Bond's commitment to opening doors to blue chip employers and it becomes clear that students graduate with a clear competitive advantage.

ENTRY REQUIREMENTS

All applicants must have completed the following AIM programs with above average grades to be eligible for direct entry into Bond University programs:

- Graduate Certificate Professional Management
- Graduate Diploma Management Innovation

SCHOLARSHIPS

Bond University offers a suite of scholarships for new students. Assessment criteria for the scholarships is based on the degree entry requirements and on demonstrated academic achievements.

ABOUT BOND

Bond University's School of Business is Australia's first and most dynamic private business school, dedicated to grooming individuals for executive-level management careers in the global marketplace. With a clear charter to foster leadership skills and entrepreneurial vision, our postgraduate degree programs are distinguished by the application of the very latest academic theory to the complexities of real-life corporate case studies.

Bond's MBA, EMBA and Master of Business programs are based on three pillars - leadership, global business and corporate entrepreneurship. Designed by internationally renowned educators acknowledged for their global experience, these accelerated programs blend the most current industry-relevant research with application to business challenges.

In addition to the personalised academic environment, Bond's stunning campus offers a clear advantage through easy access to unparalleled academic, technological and recreational facilities. This includes a multimedia learning centre, two libraries, 24 hour computer labs, studio facilities, a fully equipped gymnasium, sporting fields and an Olympic-size swimming pool.

**BOND
UNIVERSITY**
