ANNUAL REPORTS ONLINE
Database Guide

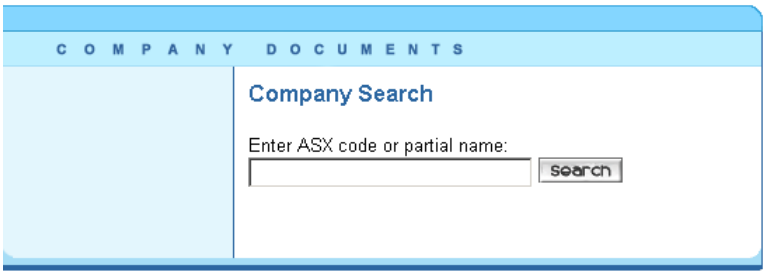
Annual Reports Online provides access to annual reports of all ASX (Australian Stock Exchange) listed and de-listed companies dating back to 1995. It also provides access to full documentation of ASX-lodged announcements from October 1998 including prospectuses.

Select Annual Reports Online

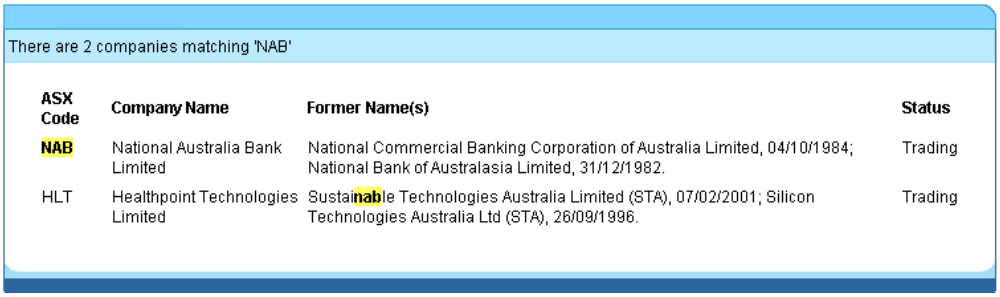
From the **Electronic Resources** page (http://www.bond.edu.au/library-and-online-resources/search/electronic-resources/index.htm) select **Annual Reports Online** from the **A-Z** list or the **Business & Sustainable Development** field of study list.

Searching for Company Information

Use the **company search** function to find information about a particular company, including reports, announcements, history and a financial summary. Type the company's **ASX code** or part of the **company name**.



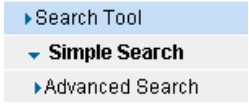
Choose your selection by clicking on the highlighted ASX code.

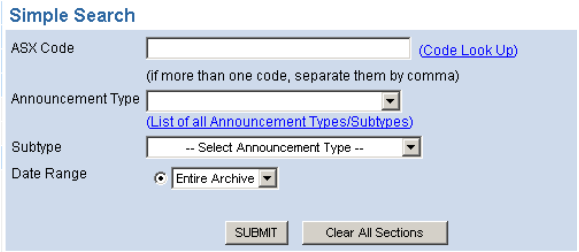


Use the links on the left to navigate the available information.

Searching for Specific Announcements

The **search tools** give you more options for searching for specific announcements. Click on **Search Tool** to view the search menu. Then choose **Simple** or **Advanced** search.



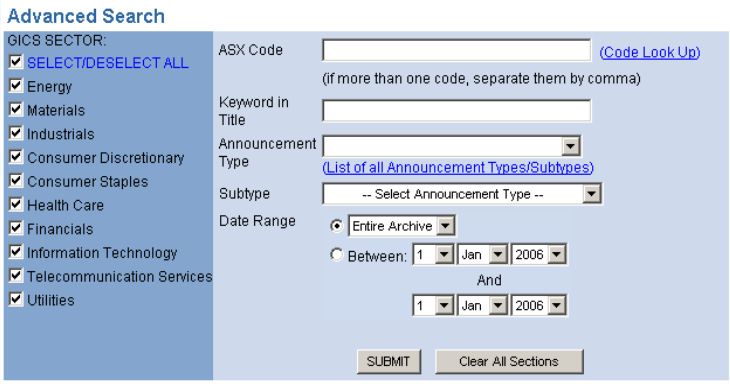


You can enter an **ASX code** if you are interested in a particular company. You can also choose the type of announcement you want to find (eg. **annual reports**, **periodic reports**) and also limit your search to a particular date range.

The **Advanced Search** lets you limit your results to particular sectors.

You can choose to enter an **ASX code**, and to limit to particular announcement types and dates.

You can also search for announcements which have particular keywords in the title.



Viewing your Search Results

Clicking on the **ASX code** at any stage will take you to the company information.

Click on the resource **Description** to view the resource.

Download and **Print** Functions
