EBRARY
Database Guide

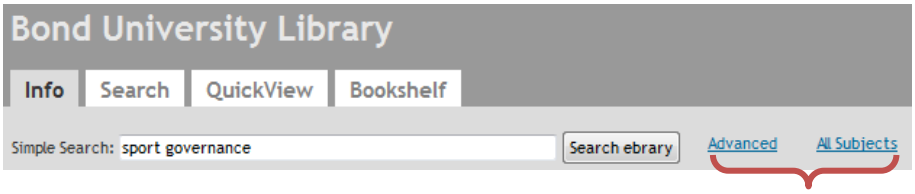
Ebrary is a database of more than 42 000 online books covering subject areas as diverse as finance, medicine, education, computers and IT, journalism and fine arts. Ebrary ebooks can also be found by searching the Library catalogue.

Finding Ebrary on the Library Website

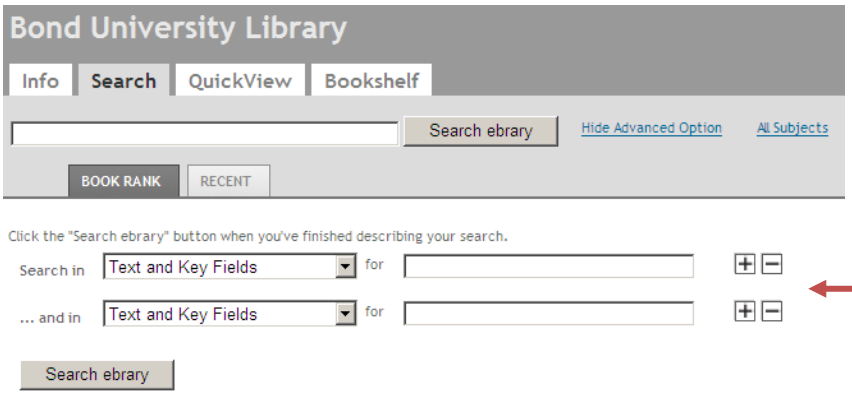
From the **Electronic Resources** page (www.bond.edu.au/library-and-online-resources/search/electronic-resources), select **Ebrary** from the **A-Z** list or a **Field of Study** list.

Searching for Books

A **Simple Search** is available from the **Info** screen.

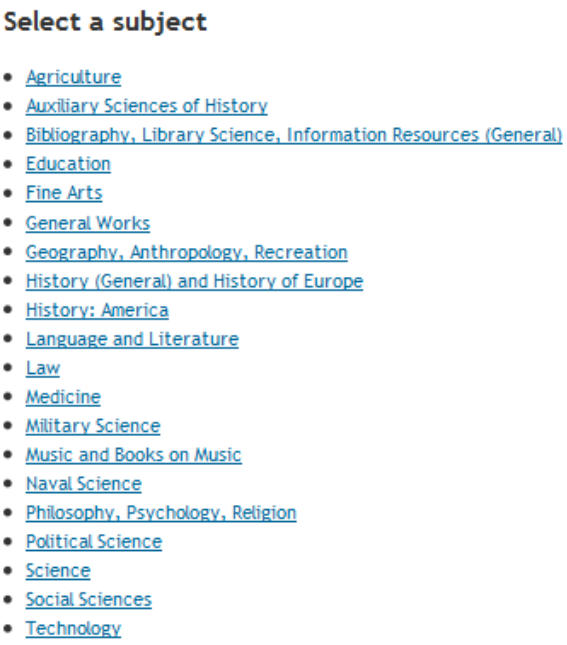


You can also select an **Advanced Search,** or to browse **All Subjects**.



The **Advanced Search** lets you search for multiple terms, in fields such as **Title, Author, Publication Year** etc.

Selecting **All Subjects** lets you browse for books by selecting from the available subjects.



Viewing your search results

The results screen lets you refine your results by selecting from the suggested subject areas:
